

Organized by

The 8TH MINDTCE

The 8TH Malaysia International NDT Conference and Exhibition (MINDTCE) returns as the region's premier biennial event for the Non-Destructive Testing (NDT) community. Organized by the Malaysian Society for Non-Destructive Testing (MSNT), this edition marks a significant evolution in scale and scope, providing a strategic platform for knowledge exchange, professional networking, and technological innovation.

Bridging the gap between research and industrial application, the 8TH MINDTCE is set to welcome its most significant and diverse audience yet, bringing together scholars, engineers, practitioners, and end-users to shape the future of structural integrity.

Key Pillars of the 8TH MINDTCE include:

- **Expanded Exhibition & Personalized Experiences:** We have significantly increased the floor space to accommodate more exhibitors than ever before. For the first time, we offer fully customizable booth options, allowing manufacturers and service providers to create immersive, personalized brand experiences for key decision-makers.
- **The Inaugural UT Competition:** Raising the bar for technical excellence, this year introduces a dedicated Ultrasonic Testing (UT) Competition. This interactive challenge allows practitioners to showcase their practical skills and precision in a live, competitive environment.
- **The Conference:** A hub for high-level technical discourse, featuring presentations on NDT 4.0, digital imaging, and safety standards.
- **Wider Audience Reach:** With an expanded marketing outreach, we anticipate an unprecedented turnout from cross-disciplinary sectors, including oil & gas, aerospace, rail, manufacturing, and civil engineering.

Supported by international bodies like ICNDT and APFNDDT, 8TH MINDTCE remains the primary gateway for global technology to enter the ASEAN market.

VENUE: THE GRAND LAGOON BALLROOM, SUNWAY RESORT HOTEL

We are excited to host the 8TH MINDTCE at one of Malaysia's most remarkable hotels. The Grand Lagoon Ballroom at Sunway Resort Hotel combines grandeur and functionality, creating an ideal setting for this unforgettable international event.

Spanning 2,266 square meters with an impressive ceiling height of 9.1 meters, the Grand Lagoon Ballroom can accommodate up to 2,720 guests, offering a versatile space for the 8th MINDTCE.

Conveniently linked to Sunway Pyramid and Sunway Lagoon, the venue offers a professional environment and easy access to a variety of entertainment and dining options.

For international participants and visitors, Kuala Lumpur International Airport (KLIA) is approximately 50 kilometers away and can be reached by taxi or e-hailing services, such as Grab. Locals can easily access the hotel by car or public transportation.

Come experience the grandeur and functionality of the Grand Lagoon Ballroom, which provides the perfect backdrop for an unforgettable 8th MINDTCE.
